(504) 569-2700

\$5 Donation

Saucer Seed, Bad Dog (Calif.), Won Ton Lust, Black Primer, Hands of Nero, Grayskull, Terranova, Durel Yates, Manmade Disaster, Manwitch and a PINK SLIP DISCO PARTY TO CLOSE OUT THE NIGHT SATURDAY!

This is a benefit for the fabulous MUSICIANS CLINIC who keep me and a lot of my friends in good shape. But it also lets me throw a big ass party and have all these great bands play and get a chance to show off in front of their friends who are in town for There will be 2 stages and the bands will do short 30 minute showcase type sets.

WHAT ABOUT THE ART? THE ART?

We got it.

Scott Guion and his beautiful wife Melanie Hill-Guion have a show entitled HALLUCINOGENESIS. Warning! Do not lick the art work.

Thank you.

WHAT MORE CAN I SAY?

Cheap bands, cheap art, cheap food, cheap booze, cheap date.

WHY NOT?

I don't know.

WHAT'S THE MOST I CAN GIVE?

What do you got?

But 5 bucks will get you in.
